The light...

RAIN
RAIN

Darn it, I'm getting all wet

What's going on?

RAIN RAIN

A caravan? Is he a peddler?

RAIN
RAIN

Wanting to attack me?

SNORE SNORE

Lol

RAIN

Who is it?

I'm sorry.

I haven't opened my shop yet and everything's a mess.

It's cold, so please warm your body with this.

Th-thank you...

I... could

Do these items make any money...?

Are you here to sell some items?
Ah, yes

I am travelling around the world and needed some items to give people in times of need

But strangely this village doesn't have much people.
BANG
.....

Look.
I don't think you can sell much stuff here.
Who sets up a shop in a graveyard?

Then where should I go? It's my first time here...

If you go to the centre square, there will be all kinds of people.
There is a mountain around here and the land is quite rough, so not many people visit this place.

...But are you settling this down?
I have a bad memory.

Do you want to eat some food with me?
Okay.

The boy ate the food with the peddler that he never saw before and talked about various things.

Why did he come to this place?

He worries about his village friends, family, harvest, and his heart which is making him worry about other's worries.

And the accident that happened to him. He didn't like talking about it much to other people.

The peddler smiled reluctantly and quietly listened to his tale.

Why am I saying all of this?

This is because Christine's honey wine is too strong.

WOOF
WOOF

WOOF

Ah, you woke up.
You slept so comfortably, so I couldn't wake you.

Y-you should have woken me up.

It's okay. ^^

I'm not sleepy!

Even though he insisted the first, he was still asleep

Like you said. I'll be taking my horse and go towards the village

Are you going to move now?

Yes. I should get permission today and unpack my stuff.

Ah, right.

You helped me, so I want to help you with something

No, it's okay...

PUFFFAT

COLD OUT

I found it when I was organizing my stuff. And I thought that you might need it.

A smoking pipe?

This is high quality...

Uhuu!!!

You worry to the point where you can't trust yourself.

Then let's change something.

You're going to share your bad luck just a little with other people.

If you don't want your life now.
